UK Certificate of Conformity of the Factory Production Control UK 0836-CPR-22/F6025

In compliance with the Construction Products Regulation and The Construction Products (Amendment etc.) (EU Exit) Regulations 2020, this Certificate applies to the construction product:

- Plywood** – technical class EN636-1 for internal use as a non-structural and Structural Component in Dry conditions. Thickness 9 to 30mm
- Plywood** – technical class EN636-2 for internal use as a non-structural and Structural Component in humid conditions. Thickness 9 to 30mm
- Plywood** – technical class EN636-3 for external use as a non-structural and Structural Component in humid conditions. Thickness 9 to 30mm

Produced by:

Please request information from Importer
China

and produced in the manufacturing plant:

Please request information from Importer
China

This Certificate attests that all provisions concerning the assessment and verification of constancy of performance described in the EN:

BS EN 13986 : 2004 + A1 2015

Under system 2+ for the performances set out in this certificate are applied and that the factory production control fulfils all the prescribed requirements for these performances.

This Certificate was first issued on 7 March 2022 and remains valid for as long as the test methods and/or factory production control requirements included in the UK Designated Standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the factory production control Certification Body.

Signed on behalf of the British Board of Agrément:

Hardy Giesler
Chief Executive Officer

Date of issue: 7 March 2022
